Notes to the Income Statement (Other)

Enter in the lines provided below any additional information on specific line items on the income statement or to its schedules that the holding company wishes to explain, that has been separately disclosed in the holding company's quarterly reports to its shareholders, in its press releases, or on its quarterly reports to the Securities and Exchange Commission (SEC). *Exclude* any transactions that have been separately disclosed under the reporting requirements specified in memoranda items 6 through 8 to Schedule HI, the Consolidated Income Statement.

Also include any transactions which previously would have appeared as footnotes to Schedules HI through HI-B.

Each additional piece of information disclosed should include the appropriate reference to schedule and item number, as well as a description of the additional information and the dollar amount (in thousands of dollars) associated with that disclosure.

Example

A holding company has received \$1.35 million of back interest on loans and leases that are currently in nonaccrual status. The holding company's interest income for the quarter shows that increase which has been disclosed in the report to the stockholders and to the SEC.
